### Pedagogic domain (see Medienpass NRW)

	tool supports	examples
operate and apply	<input type="radio"/>	
research	<input type="radio"/>	
communication and collaboration	<input type="radio"/>	
production and presentation	<input type="radio"/>	
analysis and critical reflection	<input type="radio"/>	
	/ 6	minimum of three ticks

### Foreign language didactic domain (see KLP NRW Sek I Englisch)

	tool supports	examples
writing	<input type="radio"/>	
viewing	<input type="radio"/>	
reading	<input type="radio"/>	
listening	<input type="radio"/>	
monologic speaking	<input type="radio"/>	
dialogic speaking	<input type="radio"/>	
mediation	<input type="radio"/>	
intercultural learning	<input type="radio"/>	
vocab	<input type="radio"/>	

grammar	<input type="radio"/>	
learning strategies	<input type="radio"/>	
	/ 11	minimum of 2 ticks

**Pragmatic domain**

Problem		possible solution
too complex	<input type="radio"/>	
dubious website (content, author, data protection, advertisement...)	<input type="radio"/>	
expensive	<input type="radio"/>	
not relevant for the language curriculum	<input type="radio"/>	
	<input type="radio"/>	
	<input type="radio"/>	

**Summary**

positive features	negative features

educational   
non-educational
