

a project: Native Americans / Natural disasters

Choose one of the two topics:

Native Americans or Natural disasters

- a) Make a list / a mind-map for your topics. What do you already know? Include as much information as you can. You can look up words but first try to use your own vocabulary.
- b) Skim the textbook and add more information to your list/mind-map.

Native Americans: pp. 58-68

Natural disasters: pp. 70-85

- c) Based on your mind-maps/lists, make a list of topics or questions that you would like to learn more about.

You can work alone or in groups of 2-4 people.

You can create

- a poster
- a power-point presentation
- a smartphone video
- an interview
- an info page pdf
